

A Parker Catering Company Continues to Offer Elegant Personalized Service Amidst the Harsh Economic Climate

Different needs in different times call for a different type of service. In this tough economic time, many businesses have decided to cut back. Others, like Simple Elegance Catering, don't have to change the way they do business.

"They are dependable, the food is great and they are so easy to work with," commented Charlie Thies and Karen Matyk of Studio 37.

Whether it's a simple family gathering or something more upscale, Simple Elegance Catering will provide services to suit your needs. Established in 2003, as one of Parker's premier catering and event services destinations, Simple Elegance Catering is an exclusive caterer to many of the area's finest venues. They provide elegant catering services for wedding receptions, corporate events, conferences and other special occasions.

Under the direction of Debbie Long, the culinary staff of Simple Elegance Catering creates exquisite menu offerings, all with an eye on appealing presentation, creativity and excellent taste. The talent and detail always shows at every event. It's one of the main reasons Simple Elegance Catering is talked about all over town.

"We pride ourselves on our outstanding level of service and superb menu selections," claims owner Debbie Long. "Our goal is to make your special event one that you and your guests will never forget."

In addition to wedding receptions and corporate events, Simple Elegance also caters to private home parties, sports banquets, picnics, breakfast/lunch work meetings, and pretty much anywhere else a client could use their services. In addition to their diverse menu selections, Simple Elegance Catering offers products to enhance events such as specialty equipment rentals, ice sculptures, and so much more.

From the first call to (720) 810-7547 until the final moments of the event, clients will see why Simple Elegance Catering is one of Parker's leading caterers and special event services destinations. For more information visit the website at www.simpleelegancecatering.org.
